visioncare plan

What to expect from your vision plan:

Your eyesight is nothing to take for granted. It's how we see a loved one's face clearly or a beautiful sunset.

But your sight can begin to deteriorate over a long period of time without your knowing there is a problem.

As with any other important asset – like your home or car – wouldn't you feel more at ease if you knew your routine eye care was covered by a company with decades experience helping people like you? With CompBenefits' VisionCare Plan, you can take advantage of coverage you need for eye examinations and eyeglasses or contacts.

You can also choose to take advantage of VisionCare Plan's deep discount for LASIK surgery.

And you won't have to hunt hard to find a doctor close to your home or work. The VisionCare Plan network includes some 14,000 ophthalmologist and optometrist locations – one third of all private practitioners in the country. Yet, it doesn't mean you can't see an out-of-network doctor because VisionCare Plan offers benefits in-network or out-of-network. It's your choice.

SAVINGS! SEE THE DIFFERENCE

You can save money two ways with VisionCare. First, the cost of plan services and materials is discounted and prepaid. So **except for any co-payments**, you have **no out-of-pocket expenses** for covered services and supplies when you use one of our network doctors. Second, your coverage costs are deducted from your pay *before* any federal income or FICA taxes are taken out. This makes your taxable wage base lower, so you would pay less tax.

Here's an **example** of how the plan helps you save over the course of a year:

If You Get:	You Pay:	
	VisionCare Doctor	Typical Retail
Eye exam	.00	\$ 85.00
Frame (designer style)	.00	120.00
Lenses: Bifocal	.00	100.00
Option (pink tint #1 or #2)	.00	15.00
Co-payments: \$10 exam/\$20 materials	\$ 30.00	.00
Premium (\$6.50 monthly x 12)	+78.00	.00
	108.00	\$ 320.00
Pre-tax savings (assuming 15% tax bracket & 7.65% FICA)	- 17.67	+ .00
Total Cost	\$90.33	\$ 320.00

YOUR TOTAL SAVINGS THROUGH VISIONCARE: 72% OFF RETAIL

In this example, you would have saved **\$229.67** in vision care costs with VisionCare Plan. Keep in mind, however, that your actual savings will depend on your plan allowances, your actual premium, the doctors and materials you select, and your own tax situation.

* This is not a schedule of maximum benefits. For example, the plan covers frames based on the manufacturer's *wholesale* price guide. So while the retail price of a covered frame may vary among plan doctors, the *value* of your covered frame stays the same. Typically, the wholesale frame allowance is equivalent to a retail price of \$80-150. You may be required to pay extra only if you choose a frame that exceeds the covered wholesale price.

The benefits of each plan will be determined by the contract. For a complete listing of benefits and exclusions and limitations, please reference your certificate of coverage.

Out-of-network benefits apply under the VisionCare Plan, but benefits are higher when a participating doctor is utilized.

Limitations and Exclusions apply.

Vision Provider Directory

Broward, Charlotte, Collier, Glades, Hendry, Lee, Martin, Miami-Dade, Monroe, and Palm Beach Counties

The providers listed in this brochure were participating with the plan at the time of printing. Please check with the doctor of your choice or call our Customer Care department at 1-800-749-5855 when making your appointment to make certain he or she is currently a member doctor. You may also visit our website at www.compbenefits.com for a nationwide listing of providers.

You must receive services from one of our participating providers in order to receive full benefits (as outlined in your vision care booklet). If you receive service from a provider who does not participate in the plan, you will receive reimbursement according to the non-panel reimbursement schedule established by your group.
