

Big Al and Friends

The kindergarten classes of Ms. Aspiolea, Ms. Anderson, and Mrs. Dunshee (pictured above) as well as those from Laurie Steinke and Cindy Helinski (pictured below) received a pleasant surprise last Friday, March 19, 2010, from Superintendent Adrian Cline. Mr. Cline visited the classrooms to read to the young students and encourage them to explore reading. The students responded enthusiastically during reading time and were enraptured with every word. The kindergartners enjoyed the Superintendents interpretation of the book *Big Al*.
