

***History Flicks* Presents “Bonita Springs Part II”
Provided by: Jessica Cisneros**

History Flicks will be presenting “Bonita Springs Part II” Wednesday, October 6, 2010. This film will be shown in the Board Chambers at the Desoto County School District Office at 2:00 pm.

According to WGCU Public Media, this film enters the era when the community of Bonita Springs must handle its growth but preserve its past. It picks up where part one of this movie left off, in the 1960’s when the town of Bonita Springs is busy recuperating from the disaster of Hurricane Donna. In the rebuilding process, Interstate 75 is established, and it is this addition that forever changes the community.

Come on in and enjoy a cool day indoors!
Don’t forget every Wednesday is a *History Flick Day*!
