OFFICE OF ADRIAN H. CLINE, SUPERINTENDENT

U. S. Census 2010: Jobs Available

The Federal Government is required by the US Constitution to take a *head count* of all U.S. households every 10 years. This mandate creates many full-time and part-time employment opportunities in virtually all communities across the nation.

Employment with the Census Bureau during this census-taking year can allow you to

- earn good pay on a weekly basis
- work flexible hours in your own community
- receive paid training
- receive reimbursement for mileage and other work-related expenses

More information is available at www.2010censusjobs.gov

The toll-free jobs line is 1.866.861.2010

The local area phone number is 1.941.308.8360

Please share this information with anyone you know that is unemployed or under-employed in this current economic climate.
