

**College and Financial Aid**  
**Provide by: DeSoto County School District**

College and Financial Aid is the title link on the DeSoto County High School website designed to assist parents and students in their quest for a college or university, or a desire to learn more about financial assistance for college tuition and related expenses.

The link includes a very comprehensive list of information for parents and students including: a financial aid calendar of due dates, steps to finding a college, the process in completing the FAFSA application, Bright Futures information, and a myriad of scholarships, student loans, and grant opportunities for help to finance higher education.

Parents and students, especially juniors and seniors, are encouraged to get an early start on a search for a college and means for financing their education. In some circumstances, students may qualify for grant money which, if certain criteria are met, does not need to be repaid.

The College and Financial Aid link is found on the DeSoto County High School website ([www.desotoschools.com/dhs](http://www.desotoschools.com/dhs)) and will provide students and parents with a strong start to a very long process. If additional assistance is needed in acquiring information, contact your child's high school guidance counselor or Mr. Daniel Dubbert, Director of Student Services, at 993.1333 ext.316.
