

## Support Staff/PATHS Professional Development

All professional development at the district level and at the school level is open and appropriate for all support staff in the district. To find a listing of professional development activities you may go to My-points.org <https://www.my-points.org/> or see your principal or supervisor for current opportunities available at your site.

Instructions for navigating the website are:

-  Log into your portfolio.
-  Provide your last name and social security number when prompted.
-  Click “Calendar” once you have entered your portfolio.
-  The calendar will display activities in that month.
-  To move from month to month you will need to click the forward arrow.

Courses for support staff are also offered at the Family Service Center. These courses can be used for PATHS points. You can access these offerings by going to the Family Service Center website: <http://www.desotoschools.com/fsc/> .
