WHAT DO
COLLEGE OF EDUCATION
READING EDUCATION CANDIDATES
KNOW ABOUT

READING?

Child participating in a USF COEDU
research study that uses
TUNEin® to READING
singing software to improve reading.

OUR READING EDUCATION CANDIDATES...

Know reading is an acquired skill and a meaning-making process that is necessary for all learning.

Understand factors affecting students' abilities to read fluently and to comprehend text.

Know and understand evidence-based instructional strategies, and know how to individualize strategies based on the learner's needs.

Know how to use multiple assessments to determine students' reading strengths and instructional levels.

Know how to create classroom environments that foster students' reading enjoyment and give students access to a variety of texts.

Know how to use technology to support reading instruction and motivate students to read.

Demonstrate their knowledge and skill in reading instruction by working with students in field placements, graduate-level practica, and research projects.

WE...

- Rank 48th in *U.S. News & World Report's*, "America's Best Graduate Schools 2008."
- Have an outstanding faculty who are nationally recognized for their contributions to reading research.
- Rank 6th nationally in a study of reading research productivity.
- Are the 7th largest U.S. public college of education.
- Have averaged over \$22 million annually in external funding in the past three years; 13th in the nation according to *U.S. News & World Report*.
- Have graduated the largest number of educators in the state of Florida over the last five years.
- Have a highly diverse student body from all over the U.S. and around the world.
- Are accredited by the National Council for Accreditation of Teacher Education and the International Reading Association.
- Are an iTunes U! With the click of a button, students, teachers, and the general public can access a wide array of high-quality digital resources at: itunes.usf.edu.
- Three of Newsweek's "Top 100 High Schools" are led by our graduates.
